Dear Sir:

In response to the Office Action dated July 24, 2002, please amend the above-identified U.S. Patent application as follows:

IN THE SPECIFICATION

On page 1, please replace the paragraph from lines 6-13 with the following amended paragraph:

91
The invention relates to a treatment such as circulation of information corresponding to that which concerns the rights relating to a commercial trade or electronic information which signifies a variety of rights (hereafter referred to as electronic rights information or electronic ticket), and in particular, to a method of and an apparatus for treatment of electronic rights information which safeguard the rights information against copying or falsification while allowing a safe storage and circulation
